Subject: Support me in the Race to Wrigley 5k!

A message from .

Dear Family and Friends,

On April 24, 2010 I will participate in [Chicago Cubs Charities Race to Wrigley 5k](#) to raise money for the patients and families at Children's Memorial Hospital. Donations received through this event go directly to the hospital's areas of greatest need. Donations enable Children's Memorial to:

- Offer families the most advanced medical treatments delivered by renowned pediatric experts, spanning over 70 specialty areas.
- Help defray the costs of providing life-saving care to children whose families are of limited financial means.
- Offer the support of our Family Services team, including child life specialists, chaplains, interpreters, social workers, volunteers and tutors.
- Conduct leading-edge research to develop better treatments and potential cures for diseases and illnesses affecting children.

...and much more!

Your contributions help ensure that Children's Memorial Hospital is available to the more than 140,000 children and families who rely on them each year. Please help support me in this important project by making a tax deductible donation to my goal of \$\$\$ by visiting my personal fundraising page.
